PROFILE INFO

My name is Jacob Kowal, I work in the camera department with on set experience as a DP, Camera Operator and AC. My work extends to narrative, documentary and commercial shooting styles. I have experience both in solo shooting as well as on sets with up to 25 people. I am able to act as a leader or supportive role, encouraging collaboration between departments.

My biggest goal in the industry is to provide an efficient workflow, offering my creative input to achieve the best final product while maintaining strong relationships.

EDUCATION

2023-2025
Video Design and Production
George Brown College
